

The VoiCEs Project FINAL CONFERENCE

22 September 2023

**Value of including Children Experience for
improving their rights during hospitalization**

Final Conference of the VoiCEs Project

The final conference of the **VoiCEs Project** (Value of including the Children Experience for improving their rights during hospitalization) will be held on September 22nd at **Meyer Health Campus** and will be co-hosted by **Sant'Anna School** and **AOU Meyer**.

The project, co-financed by the **European Union**, aims to enhance the **participation of children** in the evaluation and improvement of healthcare quality during hospitalization, bringing together the academic (**Sant'Anna School of Advanced Studies**), the public healthcare (**Meyer Children's Hospital** in Florence, **BKUS Children's University Hospital** in Riga, **HUS New Children's Hospital** in Helsinki, **EMC Sophia Children's Hospital** in Rotterdam) and the non-profit (**UNICEF Italy**) sectors.

During this event, addressed to policy makers, health and social authorities, professionals and stakeholders' representatives, the participants will discuss the **results of the implementation of the new paediatric questionnaire** in three children's hospitals in Europe, and will share the outputs.

The program and the inscription form for *online* or *in person* participation will be shared in the following weeks.
