

The VoiCES Project FINAL CONFERENCE

22 September 2023

Value of including Children Experience for
improving their rights during hospitalization

The final conference of the **VoiCES** project (**Value of including the Children Experience for improving their rights during hospitalization**) will be held on **22nd September** at the **Meyer Health Campus**, jointly organised by the **Sant'Anna School** and the **AOU Meyer**.

The project, co-funded by the **European Union**, aims to increase the **participation of children** in the evaluation and improvement of the quality of health care during hospitalisation and brings together the academic ([Sant'Anna School of Advanced Studies](#)), public health ([Meyer Children's Hospital](#) in Florence, [BKUS Children's University Hospital](#) in Riga, [HUS New Children's Hospital](#) in Helsinki, [Erasmus MC Sophia Children's Hospital](#) in Rotterdam) and non-profit ([UNICEF](#) Italy) sectors.

During this event, aimed at policy makers, health and social authorities, professionals and stakeholders, participants will discuss and share the **results of the implementation of the new paediatric questionnaire** in three children's hospitals in Europe.

The programme and registration form for online or face-to-face participation will be made available in the coming weeks.
